## History

**Frank Hollands** began farming here in 1922 and his son Ralph continued until his retirement at the end of the nineties. Ralph's son David thought farming was too much like hard work and so, with Esther, began running camps in 1994. Children's camps are held during the May ½ term, and the GBM Youth camp is held at the end of August – more details on [www.Roothill.com](http://www.Roothill.com). The picture shows David & his sister feeding chickens in the camp field in 1965, but nowadays the only livestock running round the farm are unruly campers!
