

2024

A few rules are necessary for everyone to have a safe and happy holiday together

- ❖ Everyone is expected to attend the daily meetings
- ❖ Everyone should be in their tents and quiet from 10pm to 7.30am
- ❖ You are not allowed in the tents or toilets of the opposite sex
- ❖ Please treat the camp site and equipment with care, and respect out of bounds areas
- ❖ Everyone is expected to help with small duties, e.g. washing up
- ❖ The leaders are there to help you, so please do what they say. They will look after the children as best they can, but they cannot be held responsible for any loss, damage or injury unless proved negligent.

The camps, which began in 1994, are organised by David and Esther Hollands, in conjunction with their church (Hambro Rd Baptist Church, Streatham) and the South West District of the Association of Grace Baptist Churches (S.E).

Please tick the box if you are happy for the Medical Officer to give your child an appropriate dose of paracetamol, if required, without contacting you.

I agree to my child coming on the Camp & taking part in the normal activities, including being taken off-site & traveling in helper's cars. I give my consent for any necessary medical treatment to be administered during camp (*we would try hard to contact you first*).

Camp will be action packed, and there will be a time each day to learn something from the Bible.

It is useful but not essential if a helper accompanies any children from your church (*more so with younger children*). All the helpers are Christians. One or two helpers are assigned to each tent. They do not sleep in with the children but are in tents close by.
